2010 Tourism Technician.

Interests

- ◎ Volunteering
- ◎ Drawing
- ◎ Photography
- ◎ Snowboarding

My journey

I'm a student of Psychology who decided to become a selftaught web developer and designer. I don't have any practical work experience in this field that I could cite. But I have four years of volunteering experience in different organisations. During that time I became dedicated, adaptable and loyal worker. I strive to improve my knowledge and skills in order to advance my career in IT.

My skills

Other skills

- ◎ Organisational skills
- ◎ Critical thinking
- ◎ Creative thinking
- ◎ Problem solving
